# Aetna Better Health® of Kansas CME ECHO Program: Suicide Prevention

## **Now Recruiting – AAP and AFSP Suicide Prevention Clinical ECHO Cohort 5**

The American Academy of Pediatrics (AAP), in collaboration with the American Foundation for Suicide Prevention (AFSP), is now recruiting pediatricians and other pediatric clinicians to join the AAP and AFSP Suicide Prevention Clinical ECHO.

This is an Aetna sponsored complimentary CME program being offered at no cost to interested Aetna contracted pediatric providers.

This ECHO program will train participants on the clinical strategies described in the [Blueprint for Youth Suicide Prevention](#) and will provide evidence-based tools, resources, and support on how to implement suicide prevention protocols within your practice.

To learn more about the program you can view the [flyer](#) or watch a short video about the ECHO [here](#).

**The ECHO sessions will take place the third Thursday of each month at 12pmET/1pmCT from February 15<sup>th</sup> through September 19<sup>th</sup> 2024.** The only exception will be March, which will occur the fourth Thursday of the month.
