RE: Aetna in the Public Exchange

1. Aetna in the Public Exchange:

Aetna has made a business decision to cease operations on the Health Insurance Exchange in 11 states across the country in 2017, including Kentucky. It has no impact to our Medicaid plan, Aetna Better Health of Kentucky. This decision only impacts Aetna's individual commercial products that are sold on the exchange. Aetna's commercial segment will communicate options to impacted members before the 2017 open enrollment period begins, and provide resources to assist them in transitioning to other plans as appropriate. Aetna's Medicaid members in Kentucky will continue to have quality healthcare benefits, and we will continue to work with providers to deliver a quality managed care program in the Commonwealth.

If you have additional concerns or questions, please contact your provider relations representative.
