

Aetna® Medicare FIDE (HMO D-SNP) Provider Notice: SEC PCP

June 10, 2026

We're enhancing SEC PCP on the Panel Roster through Availity. Effective September 2, 2026, Aetna Better Health® is bringing to you additional functionality within Availity. The enhancement to the Availity system will allow you to pull the panel roster with SEC information.

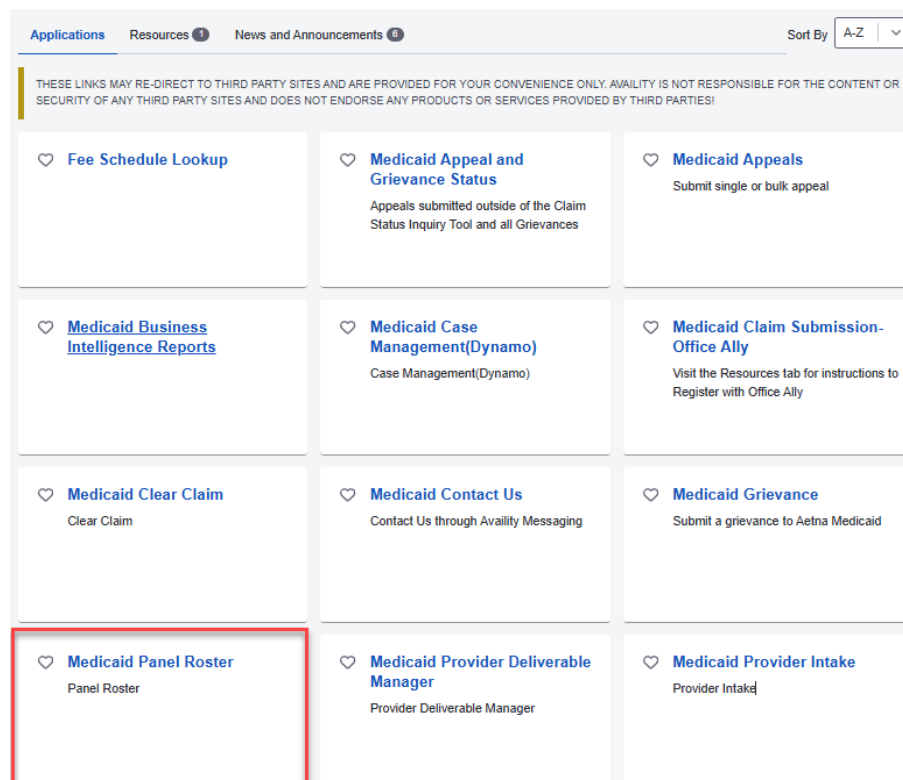

Benefits of Enhancement

Currently providers can look up the primary PCP under the panel roster payer spaces.

The enhancement to the Panel Roster application within payer spaces applications in Availity. Some clinics/sites are loaded with a PCP Type SEC which is currently not returned in Availity.

We are going to update the panel roster to display the SEC as well.
