The recipient of this notice may make a request to opt-out of receiving transmissions from Aetna. There are numerous ways you may opt-out: The recipient may call toll-free **877-265-2711** and/or fax the opt-out request to **1-888-263-9488**, at any time, 24 hours a day/7 days a week. The recipient may also send an opt-out request via email to **do_not_call@aetna.com**. An opt out request is only valid if it (1) identifies the number to which the request relates, and (2) if the person/entity making the request does not, subsequent to the request, provide express invitation or permission to Aetna to send facsimile advertisements to such person/entity at that particular number. Aetna is required by law to honor an opt-out request within thirty days of receipt. An opt out request will not opt you out of purely informational, non-advertisements, such as prior authorization requests and notices.

Aetna Better Health highlights

Colorectal cancer screening

Members have access to colorectal screening options at no cost and receive a **\$25 reward** once completed. A reminder from a trusted provider can increase screening rates and close gaps in care for Oklahomans.

Breast cancer screening

Members receive a **\$25 reward** for completing a breast cancer screening. Your recommendation matters to members and can help save lives with early detection.

Cervical cancer screening

This extra benefit gives members ages 21-64 years old a **\$25 reward** for completing their cervical cancer screening.

Encourage members to call the number on their ID card or explore support in the Aetna Better Health app.
