

# CHIP providers: Help ensure your patients don't lose their coverage

As you may know, the public health emergency (PHE) related to COVID-19 ended May 11, 2023. States now have 12 months to recertify the eligibility of all CHIP enrollees.

**Those who no longer meet eligibility requirements** — or who don't take the steps to confirm their eligibility — **may lose their coverage.**

Even before the PHE, thousands of people were disenrolled from CHIP every month for procedural reasons. In many cases, recipients weren't even aware that they needed to recertify their eligibility.

## How you can help

 **Remind your patients to confirm their current contact information** with their state CHIP agency or caseworker. They can visit the website below for more information and to get started.

 Also, **make note of the phone number for your state's CHIP enrollment office.** It is **1-866-550-4355**. Keep it handy at your front desk, billing office or anywhere staff can share with patients.
