

## **Aetna Better Health of Texas PROVIDER NOTIFICATION**

### **Background**

In accordance with the American Rescue Plan Act (ARPA) of 2021, CHIP MCO's must ensure COVID-19 related vaccines, treatments, and testing services are provided without cost-sharing, including copayments.

### **Key Details**

For dates of service on and after December 21, 2022, it is required that MCOs reimburse CHIP providers without unauthorized cost-sharing. Copayments are not to be collected for COVID-19 related services, these services include vaccines, testing, treatment of COVID-19, preventative therapies for COVID-19, treatment of post-COVID conditions (long-haul COVID-19), and treatment of health conditions that, in conjunction with COVID-19, may seriously complicate the health of a member.

### **Action Needed of Providers**

Before reimbursing providers for the uncollected copayment of COVID-19 related services, HHSC is requiring providers to attest that copayments were not collected from members. Please complete the attestation form which accommodates this letter and return to ABHTX by either email or facsimile.
