

Medicare-Medicaid Alignment Initiative (MMAI) & Managed Care Training

**Wednesday
Sept. 22, 2021**

10:00 AM-11:30 AM CDT

This virtual Medicare Medicaid Alignment Initiative (MMAI) & Managed Care Training is for healthcare professionals who counsel older adults and adults with disabilities on their health care benefit options.

- Attendees will learn about the statewide MMAI expansion and related Medicaid managed care programs.
- This training will help professionals empower their clients to make informed choices about their health care coverage.

Thanks to generous funding from Aetna, this training will be provided at no cost to all attendees. There is an additional \$20 processing fee for those interested in receiving 1.5 CEUs.
